

# Medical Website Dev & Maintenance for Web Dev Company

## PROJECT DETAILS

-  Web Development
-  Feb. 2018 - Ongoing
-  \$50,000 to \$199,999

*"84EM is nothing but a breath of fresh air in a world of unreliable vendors."*

## PROJECT SUMMARY

A website development company has collaborated with 84EM to build a medical website in WordPress. The team has created the project strategy and implementation and assisted with the entire process.

## PROJECT FEEDBACK

84EM has been maintaining the entire website without issues for years, making the client beyond satisfied. The team is responsible, reliable, and prompt in managing the workflow and communication. Furthermore, they live with their words and deliver what they promised.

## The Client

Please describe your company and your position there.

Nationally ranked web development agency. I am the founder.

## The Challenge

For what projects/services did your company hire 84EM, and what were your goals?

Large project that exceeded our internal capacity, we brought in Andrew and 84EM to develop the overall strategy manage and implement this project.

### CLIENT RATING

5.0

Overall Score

Quality: 5.0

Schedule: 5.0

Cost: 5.0

Would Refer: 5.0

## The Approach

How did you select this vendor and what were the deciding factors?

84EM's honest and prompt communications, clarity around decisions, ability to understand and communicate about parameters, and success in the past.

Describe the scope of work in detail, including the project steps, key deliverables, and technologies used.

Developed an entire online ecosystem built in WordPress for a medical consulting company from the ground up. Mapped out, designed, developed, and supported project for the past 4 years exquisitely and without ANY problems!!

How many people from the vendor's team worked with you, and what were their positions?

2 - developer and project manager

## The Outcome

Can you share any measurable outcomes of the project or general feedback about the deliverables?

Extraordinarily happy client and continued renewal of ongoing maintenance plan -- couldn't have lead to better outcomes!

Describe their project management style, including communication tools and timeliness.

Responsible, reliable, timely, clear.

What did you find most impressive or unique about this company?

84EM is nothing but a breath of fresh air in a world of unreliable vendors. They do what they say, communicate, and do excellent work!!

**Are there any areas for improvement or something they could have done differently?**

None I can think of, honestly!
